

# 2020 OUTLANDER™ MAX XT™ 650

## HIGHLIGHTS

- Rotax® V-twin engine
- Intelligent Throttle Control (iTC™) with riding modes
- Arched double A-arm front suspension with front sway bar
- Continuously Variable Transmission (CVT) with engine braking
- Tri-Mode Dynamic Power Steering (DPS™)
- 1,361 kg WARN† winch with roller fairlead
- Heavy-duty front and rear bumpers
- 14-in. cast-aluminum wheels
- 26-in. ITP† Terracross radial tires
- Painted plastics for premium look
- Handlebar wind deflectors
- Convertible Rack System (CRS) with LinQ™ system
- Dynamic passenger comfort ergonomics
- Multiposition passenger handgrips
- Raised floorboards
- 21.4 L water-resistant rear compartment

 Mossy Oak† Break-Up Country Camo†

## ENGINES

### 650

|                      |                                                                          |
|----------------------|--------------------------------------------------------------------------|
| Type                 | 59 hp, Rotax 649.6 cc V-twin, liquid cooled                              |
| Fuel Delivery System | Intelligent Throttle Control (iTC™) with Electronic Fuel Injection (EFI) |
| Transmission         | CVT, P / R / N / H / L, standard engine braking                          |
| Drive Train          | Selectable 2WD / 4WD with Visco-Lok‡ QE auto-locking front differential  |
| Power Steering       | Tri-Mode Dynamic Power Steering (DPS)                                    |

## SUSPENSIONS

|                  |                                                            |
|------------------|------------------------------------------------------------|
| Front Suspension | Arched double A-arm with front sway bar<br>23.3 cm travel  |
| Front Shocks     | Oil                                                        |
| Rear Suspension  | Torsional Trailing arm Independent (TTI)<br>25.1 cm travel |
| Rear Shocks      | Oil                                                        |

## BRAKES

|       |                                                                        |
|-------|------------------------------------------------------------------------|
| Front | Dual 214 mm ventilated disc brakes with hydraulic twin-piston calipers |
| Rear  | Single 214 mm ventilated disc brake with hydraulic twin-piston caliper |

## FEATURES

|            |                                                                                                                                           |                   |                                                                                        |
|------------|-------------------------------------------------------------------------------------------------------------------------------------------|-------------------|----------------------------------------------------------------------------------------|
| Gauge      | Multifunction Digital:<br>Speedometer, tachometer, odometer, trip & hour meters, fuel, gear position, 4 x 4 indicator, diagnostics, clock | Instrumentation   | Lighter type DC outlet in console, standard connector in the back (15-A)               |
| Winch      | 1,361 kg WARN winch with roller fairlead                                                                                                  | Lighting          | 230 W from twin 60-W projectors and dual 55-W reflectors with tail light / brake light |
| Protection | Heavy-duty front & rear bumpers, handlebar wind deflectors, mudguards                                                                     | Seat              | Convertible Rack System (CRS)                                                          |
|            |                                                                                                                                           | Anti-theft System | RF Digitally Encoded Security System (D.E.S.S.™)                                       |

## WARRANTY

|         |         |
|---------|---------|
| Factory | 2 years |
|---------|---------|

## TIRES / WHEELS

|             |                                                          |
|-------------|----------------------------------------------------------|
| Front Tires | ITP Terracross 26 x 8 x 14 in.<br>(66 x 20.3 x 35.6 cm)  |
| Rear Tires  | ITP Terracross 26 x 10 x 14 in.<br>(66 x 25.4 x 35.6 cm) |
| Wheels      | 14-in. cast-aluminum                                     |

## DIMENSIONS / CAPACITIES

|                      |                             |
|----------------------|-----------------------------|
| L x W x H            | 239 x 122 x 135 cm          |
| Wheelbase            | 149.9 cm                    |
| Ground Clearance     | 27.9 cm                     |
| Seat Height          | 87.7 cm                     |
| Engine / Dry Weight* | 375 kg                      |
| Rack Capacity        | Front: 45 kg<br>Rear: 90 kg |
| Storage Capacity     | Rear: 21.4 L                |
| Towing Capacity      | 750 kg                      |
| Fuel Capacity        | 20.5 L                      |
